SIR,

A new shandy at Hiduvanahally ~~Saklespur~~ Alur taluk.

I have the honour to state that during my inspection of Saklespur Taluk and its rural parts in December last, several of the villagers round about approached me with a petition urging the necessity for starting of a shandy in the maidan at Hiduvanahally village, Kenchamanhoskote Hobli. They represented therein that there was no shandy round about 9 to 10 miles. The shandy at Saklespur and Alur was nearly 12 miles away and Magge shandy was about 9 to 10 miles off. There had settled in the group of villages round about this village a number of European and Indian coffee planters with their large establishments transacting thousands of rupees of business. All these gentlemen and the villagers round about felt the utmost difficulty in procuring to their homes even the necessities of life. The conditions would be worse during rainy resasons, (which, in these malnad parts, covered more than half the year) as it would be impossible to move about to these ~~far~~ distant places where shandies are now being held. Hence they urged that the opening of a shandy in this place would not only benifit them but would thrive well and be a real source of income in the course of a couple of years to the Distridt Board.

Proceedings of the Hassan District Board Meeting Held on 29th May **19** 41 **in the Meeting Hall at** 12 **Noon.**
